Parma, June 21st, 2012

Aims and objectives

To create a bridge between the technological infrastructure and the current organization of learning and teaching

Objectives

- 1. To improve students learning**
- 2. To promote interdisciplinarity of research**
- 3. To publish in the Web the results of projects, international events, interdisciplinary collaborations**

MIX-MeS Uncourse for teachers

MIX-MeS (Choices for all the tastes) is an Uncourse

It has been created by listening the perceived needs of researchers and teachers, with some arguments defined from same they, like a laboratory of experimentation online

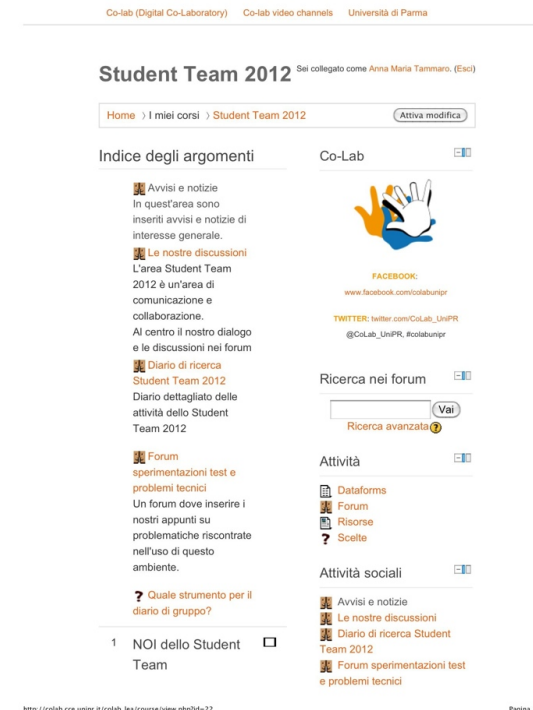

Student Team 2012

• Open Educational Resources

The Student Team has been involved in managing presentations and intense activities of the course (creating documents wiki, video, integrated search) that they have contributed to video-recording

Workshop “Sistema open source per la videoregistrazione di lezioni, seminari, eventi: OpenEyA”

Some examples

Online exams

The screenshot shows a web interface for an online exam. It contains three questions:

- Q00:** "Indica il tuo grado di soddisfazione, da 1 a 4, rispetto allo svolgimento della prova online." (Indicate your degree of satisfaction, from 1 to 4, regarding the online exam performance.)
- Q01:** "Hai incontrato problemi specifici relativamente alla prova online?" (Have you encountered specific problems relative to the online exam?)
- Q02:** "Che problemi hai avuto? I tuoi commenti ci saranno molto utili." (What problems did you have? Your comments will be very useful to us.)

There are two sections for feedback:

- Soddisfazione:** A section with a dropdown menu labeled "Soddisfazione" and a "Seleziona" button.
- Problemi:** A section with a dropdown menu labeled "Problemi" and a "Seleziona" button.

Below the questions, there is a text area for comments and a "Seleziona" button.

Internship online

to monitor the period of internship, with short weekly reports that the students have inserted in the appropriate virtual space, with a constant self-reflection
